**Course Description:** The Pediatric End-of-Life Nursing Education Consortium (ELNEC) Project is a national end-of-life educational program administered by City of Hope National Medical Center (COH) and the American Association of Colleges of Nursing (AACN) designed to enhance palliative care in nursing. The ELNEC Project was originally funded by a grant from the Robert Wood Johnson Foundation with additional support from funding organizations (the National Cancer Institute, Aetna Foundation, Archstone Foundation, and California HealthCare Foundation). Materials are copyrighted by COH and AACN and are used with permission. Further information about the ELNEC Project can be found at [www.aacn.nche.edu/ELNEC](http://www.aacn.nche.edu/ELNEC).

The ELNEC Training course contains ten modules addressing critical aspects of end-of-life care. These modules include:

- Module 1: Pediatric Palliative Care Nursing
- Module 2: Pain Management
- Module 3: Symptom Management
- Module 4: Ethical/Legal Issues in Palliative Care Nursing
- Module 5: Cultural Considerations in Palliative Care
- Module 6: Communication
- Module 7: Loss, Grief, & Bereavement
- Module 8: Final Hours – Care at Time of Death
- Module 9: Perinatal & Neonatal
- Module 10: Models of Excellence

**Course General Objective:** At the completion of this class, participants will be able to:

1. Describe the role of the nurse in providing quality palliative care for pediatric patients.

**Credit:** Providence Alaska Learning Institute, Providence Health & Services Alaska, is an Approved Provider of continuing education in nursing by the Montana Nurses Association, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation.
